**Subject: Appreciation and Gratitude letter for the CSR Support to
develop and transform Borapatla as a Mode village-2016-17**

Dear Mr. Nithyananda Reddy,

Greetings from APMAS!!

At the outset, APMAS thank you for giving us an opportunity for development of **Borapatla village**, Hathnoora mandal, Sangareddy District into a model village. We are very proud to associate with you and very fortunate enough to contribute our effort for a greener and cleaner India.

Needless to say, the development and other social activities that we undertook and accomplish could not have been possible without the timely financial and moral support of Aurobindo Pharma Foundation. The funds were optimally used for different development and social activities namely Human Resource Development, Water & Sanitation Improvement, Improvement in the quality of Health services, Improvement in the quality of Education, Environment and Infrastructure Development. We are also happy to see that the project could give employment opportunities to members of the community and thus contributing to reduction in unemployment which is vital for any Society to thrive.

We have named Aurobindo Pharma Foundation for each of the infrastructure activities in your honour and as memento for the people of the village to remember and cherish forever.

We look forward to working with you on our future projects in strengthening community's voice, supporting their ideas of development and empowering local community taking the lead towards developing and maintaining model villages and contributing to a vibrant India.

Sincerely,

C S Reddy
MD & CEO
APMAS
