Dear Nityananda Reddy garu,

Thanks for your generous gesture of yet another contribution of Rs.3.25 crores (three crores twenty five lakhs only) for the development of “Aurobindo Pharma Geriatric Eye Care Centre” at our GMR Varalakshmi Campus in Visakhapatnam. The Institute is indebted to you for the way you dedicate yourself in such diverse ways to advance the cause it stands for – the vision impaired may have a chance to have normal life. As we have discussed, this will create the model that will lead to “Aurobindo Pharma Geriatric Eye Care Institute” that will be a global resource centre for the care of the elderly.

The receipt and IT declaration are enclosed for your records.

We are indeed very grateful for your kind gesture and we look forward to your continued support.

Warm personal regards,

Yours Sincerely,

GULLAPALLI N. RAO
