To

Mr K. Nityananda Reddy,
Vice Chairman,
Aurobindo Pharma,
Hyderabad.

Sir,

Sub: Commendation in token of our gratitude for the generous aid rendered by the Highly Respected and reputed Pharmaceutical Donor, Aurobindo Pharma.

With high Reverence and indebtedness for the magnanimous help rendered by you for creating infrastructure and facilities provided to our high school located in Rural area, we would like to express our gratitude in the form of this Appreciation letter.

The general trend and practice of everybody is to question and find fault with the Govt. for any deficiency regarding the infrastructure and facilities in Zilla Parishad High Schools. In the present scenario style of functioning, there are some exceptions, rare, sacred, humanistic and holy persons in the society like you who provided aid worth of rupees lakhs for creating better infrastructure and fair working conditions to our school duly identifying especially in rural area for which we all are very much grateful and indebted to You, Sir, for Your magnanimity and generosity.

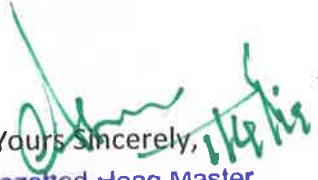

At this juncture, We, all the staff members including the Head of the Institutions are very much obliged to confess our feelings from our core of hearts, for having supplemented the then lack of fair facilities to the utmost fair working conditions on account of Your hospitality extended by way of providing the most valuable furniture such as chairs, tables, benches, iron shelves, computers, printers etc., which were in dearth for the total strength of 25 staff members and 465 student receiving education in this institution. Your invaluable and unforgettable aid elevated the status and dignity of our school.

This donation, according to us, undoubtedly with no controversy, is a Godly Act which is a contribution to the Goddess of Education.

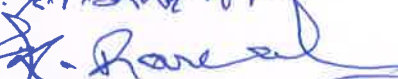

It would be an utter failure and lapse on our part and on behalf of our school, if we do not convey and express our gratitude coupled with thanks to You for Your prosperity to the apex point in Your business field and for giving raise for contributing donations as many as you can, in future, to the good of society.

Thanking you Sir,
