Dear Sir,

- Sub : Letter of GRATITUDE & APPRECIATION – Financial Support towards Construction of Veda Patasala at Ponnala Village, Shameerpet Mandal Medchal- Malkajgiri (30 Classrooms).**
- Ref : Your Letter dated 27th July 2021 sanctioning a Total Amount of Rs.3,00,00,000 (Rupees Three Crores Only) through Corporate Social Responsibility and amount received by us as sanctioned.**

Namaste. We are extremely delighted and thankful for your kind gesture to support our initiative to construct a Veda Patasala Complex at Ponnala village, Shameerpet, Hyderabad. Our ancient Vedic Culture and Dharma aims at the universal good, it is vital to sustain this effort to preserve and spread Vedas. The Vedas clearly say "Dharmo Rakshati Rakshitaha" implying that Dharma protects one who protects Dharma.

We appreciate and thank you for your gesture to sanction and released of an amount of Rs.3 Crores which will ever be remembered in our endeavors of Veda Samrakshanam and of timely support in completion of 1st Phase of our Project comprising of 30 Classrooms, Kitchen and toilet block costing of Rs. 10 Crores and started vedic classes from 18th March 2023. This is a great gesture in the annals of Vedic Educational History in Modern Times. We are sure this will further give all of us enough strength and enthusiasm to continue our endeavors to make it as a Great University - which will be of one of the best in the Country to strive and serve for the Vedic Cause.

We are also sure, likeminded Institutions both Corporate and Other Philanthropists will follow your example and come forward boldly in extending their support and strength to sustain the ancient culture of India.

We earnestly pray Lord Veda Parameswara and Acharyals to shower your Organization, the Management, Employees and all their Families with all the Good Health, Wealth, Success in all their endeavors.

More importantly we wish and offer our sincere prayers to Lord Veda Parameswara and Acharyals for overall further growth and success of your esteemed Organization involved in the noble field of working towards betterment of mankind by participating in the alleviating of diseases, ailments and providing good health to the citizens.
