LETTER OF APPRECIATION

Respected Sir,

*I sincerely and wholeheartedly appreciate and thankful to you for your Contribution of **Red Gram Dal and Cooking Oil worth of Rs 15.60 Lakhs** to help the poor during the crisis who have been affected by the ongoing LOCK- DOWN to contain the spread of the dreadful Pandemic COVID-19. We have distributed the commodities received from you; to the affected persons belong to malnourished BPL families, in a judicious and transparent manner.*

I once again thank you for responding favourably to my request and extending your kind and generous support to the vulnerable and under privileged poor sections of the Society, on humanitarian grounds, in the need of hour.

With regards,

Yours sincerely,
